## fast to East Midlands Airport

From Sunday 22 July there will be some major changes to the **skylink express** route and timetable.

The new route will serve more stops between Nottingham and Clifton, including new stops for the Tram Park+Ride in Clifton, before continuing non-stop down the A453 to East Midlands Airport.

**skylink** will also get a new look with a striking grey and blue colour scheme on low-floor buses. Complete with comfy seats, luggage racks, free WiFi and USB power for a first class journey to the airport.

But don't worry, we'll still be the fastest way to the airport...
